

Something Extra | Thursday

Dr Kamilah Spencer, co-founder of Global Med Corporation, was glowing in her fuchsia pantsuit ahead of her presentation.

Medical intern Alexandrea Jones was all smiles.

Dr Andre Morgan, medical director at Tacoma General Hospital, paired up with Shawna-Kaye Lester, organiser of the Caribbean Medical Professionals' Summit, for a quick photo.

Professor Shafi Ahmed was in high spirits after his presentation on day two of the Caribbean Medical Professionals' Summit.

Owen Hyatt, medical intern, suited up for the occasion.

Lauren-Paige Reid jazzed up her double-denim outfit with a lime-green blazer.

Dr Shari Plummer kept it simple and chic, flashing a bright smile in an all-black ensemble.

Dr Trena Stoute, co-founder of Global Med Corporation, posed confidently in yellow.

The Caribbean Medical Professionals' Summit kicked off last Friday at The Jamaica Pegasus hotel with a networking lyme for its attendees. Featuring tasty hors d'oeuvres and an open bar, guests quickly engaged in easy conversation as the night progressed, creating the perfect segue into the weekend for the two-day summit. Here are a few social highlights.
